

American Lincoln Parts

American Lincoln Parts - Currently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the industry they are known in the industry as providing durable and strong machines which satisfies the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nationwide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln has the ability to provide warranty service, machines and components for these types of scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of various facility managers where efficiency and results count. Lately, this floor scrubber model has been used by the architects in various construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's utmost performance level and high standard of quality for polishing concrete.
