

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to giving top quality and new design concepts so as to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design concepts as proven in their product development. They enjoy offering items that energize both their dealers and their partners and offer production gains to their clients.

The team at TREK enjoys tackling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and needs along with their understanding of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

When needed, the staff members within TREK and its several dealer members in both technical support and parts would be available. One of their core values is their high service dedication in their customer service. Keeping their customers' cleaning equipment functioning and ready day by day is top priority. The company's top of the line technology delivers reliable equipment which ultimately lessens your cleaning expense. The price, the service and the product all work as one so as to make them an industry leader.
